

Dear scholarship applicant,

Swell Events is a 501c3 organization formed to bring support and opportunity for arts education in Clark County. We have a two-fold mission to raise funds for arts education scholarships for qualified k-12 students as well as provide performance opportunities for those students living in Clark County.

As a scholarship applicant, individuals may be awarded scholarship monies allowing for full or part relief of the cost of specified education in the arts within the limits of Clark County for a six month period of time. Applicants may reapply every six months for scholarship monies. Scholarships will be based on financial need, level of dedication to the chosen arts program of the individual, as well as positive academic persistence and GPA. Applicants and their parents/guardians may be subject to an interview in order to determine character and understanding of our organization if the board feels it necessary. We want to be assured that scholarship recipients are being encouraged and supported in their efforts.

Swell Events is an organization that believes in giving back and contributing positively to the community, therefore, scholarship recipients will be brought into the inner circle of service within our organization, where they will offer minimum hours of service in order to give back to the program and keep it going strong. We believe that this will assist the recipient in gaining the life skills necessary to continue in being granted the experience of receiving scholarships in the future, with collegiate organizations, etc.

*To begin the application process, follow the steps listed below:*

1. Complete the Swell Events Scholarship Application
2. Complete the Income Eligibility page
3. Include Transcript showing a GPA of 3.0 or higher
4. Include Essay regarding reason and desire for scholarship
